

## HOW TO CONNECT TO SECURECAMPUS USING A WIN 10 OS

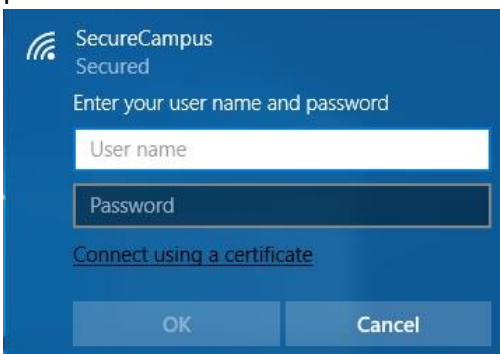

1. Click the Wi-Fi icon on the Taskbar (bottom right-hand corner of your screen).

2. Select the SecureCampus network and click on Connect.

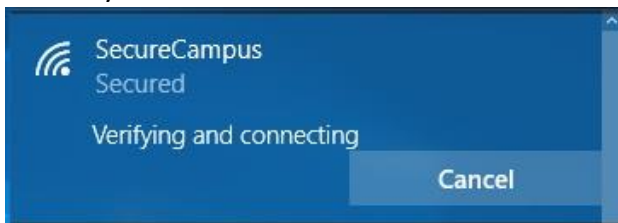

3. The following window should appear. Put your Lincoln University student username and password in and click ok.

4. Click on Connect

You may see this:

5. You should now see you are connected.
