~ (Support			
I .	1. lucas.lincoln.ac.nz		Curren	tly in use by 1 user.
I .	📮 2. lucas.lincoln.ac.nz		Curren	tly in use by 1 user.
I .	📮 3. lucas.lincoln.ac.nz			
I .	📮 4. lucas.lincoln.ac.nz			
	5. lucas.lincoln.ac.nz			

- 3. Ensure that you select an option **not labelled as** "currently in use by 1 user."
- 4. Select an option provided as lucas.lincoln.ac.nz.
- 5. Re-enter the same password you used during the initial login to Remote Labs.
- 6. After the connection loads, wait a few moments, and LUCAS will open automatically. Alternatively, you can use the LUCAS link located on the desktop.
- 7. Once you have finished logoff by clicking Start > Your name > Sign out
