📮 1. lucas.lincoln.ac.nz			
2. lucas.lincoln.ac.nz			
3. lucas.lincoln.ac.nz			
📮 4. lucas.lincoln.ac.nz			
📮 5. lucas.lincoln.ac.nz		Currently i	n use by 1 user.

- 3. Ensure that you select an option not labeled as "currently in use by 1 user."
- 4. Select an option provided as lucas.lincoln.ac.nz.
- 5. Re-enter the same password you used during the initial login to Remote Labs.
- 6. After the connection loads, wait a few moments, and LUCAS will open automatically.

Alternatively, you can use the LUCAS link located on the desktop.
